Docket ID: EPA-HQ-OPP-2007-1024

Agency: Environmental Protection Agency

Summary:

The Electronic Freedom of Information Act Amendments of 1996 established the requirement for electronic reading room availability of any records processed and disclosed in response to a FOIA request that "the determines have become or are likely to become the subject of subsequent requests for substantially the s records." This mandate created an opportunity for use of an electronic reading room to achieve efficient affirmative disclosure of records which otherwise would have to be sought through a formal petitioning of t under FOIA.
